

## Need Your House Painted?

**Sauk Valley Unite** is a mission campaign where teenagers from all different youth groups unite and serve the area of Sterling and Rock Falls through painting houses. This is a community event where multiple youth groups from churches across the area work together to accomplish a common goal. Teenagers and adults will be painting houses for the disabled, elderly, widows, single parents, and those in financial need. Basically, if someone cannot physically or financially paint their house, we want to do it for them! God has called us to be God's hands and feet to the world. If we are serious about following Jesus, then we must be serious about serving and loving our neighbors in need.

My name is Rana Smith. I am a local Youth Leader at Bethel Reformed Church in Sterling. I, along with many other local church leaders have a vision to spread the word of God by blessing those close to home. We have a vision of serving the area of Sterling and Rock Falls areas by being the hands and feet of Jesus to those who are physically or financially unable to paint their own houses. **We will be selecting roughly 5-6 houses to paint for free.**

**How to Apply?** Complete the housing application form and send it on or before April 1, 2019. You will be notified that we have received the application. Once we have received the applications, the leadership team will meet in April and prayerfully be selecting the houses from the applications we have based on physical/financial need, house painting need, and location. After the meeting we will send letters to each applicant chosen a confirmation letter. Each person not chosen will also receive a letter explaining the process and encouraging them to sign up again next year.

**If you or someone you know needs their house painted please contact:**
